

# RUSTIK

**Rural Sustainability Transitions through Integration of Knowledge for improved policy processes**

[www.rustik-he.eu](http://www.rustik-he.eu)

## Objectives

A robust methodological framework for functional rural areas.

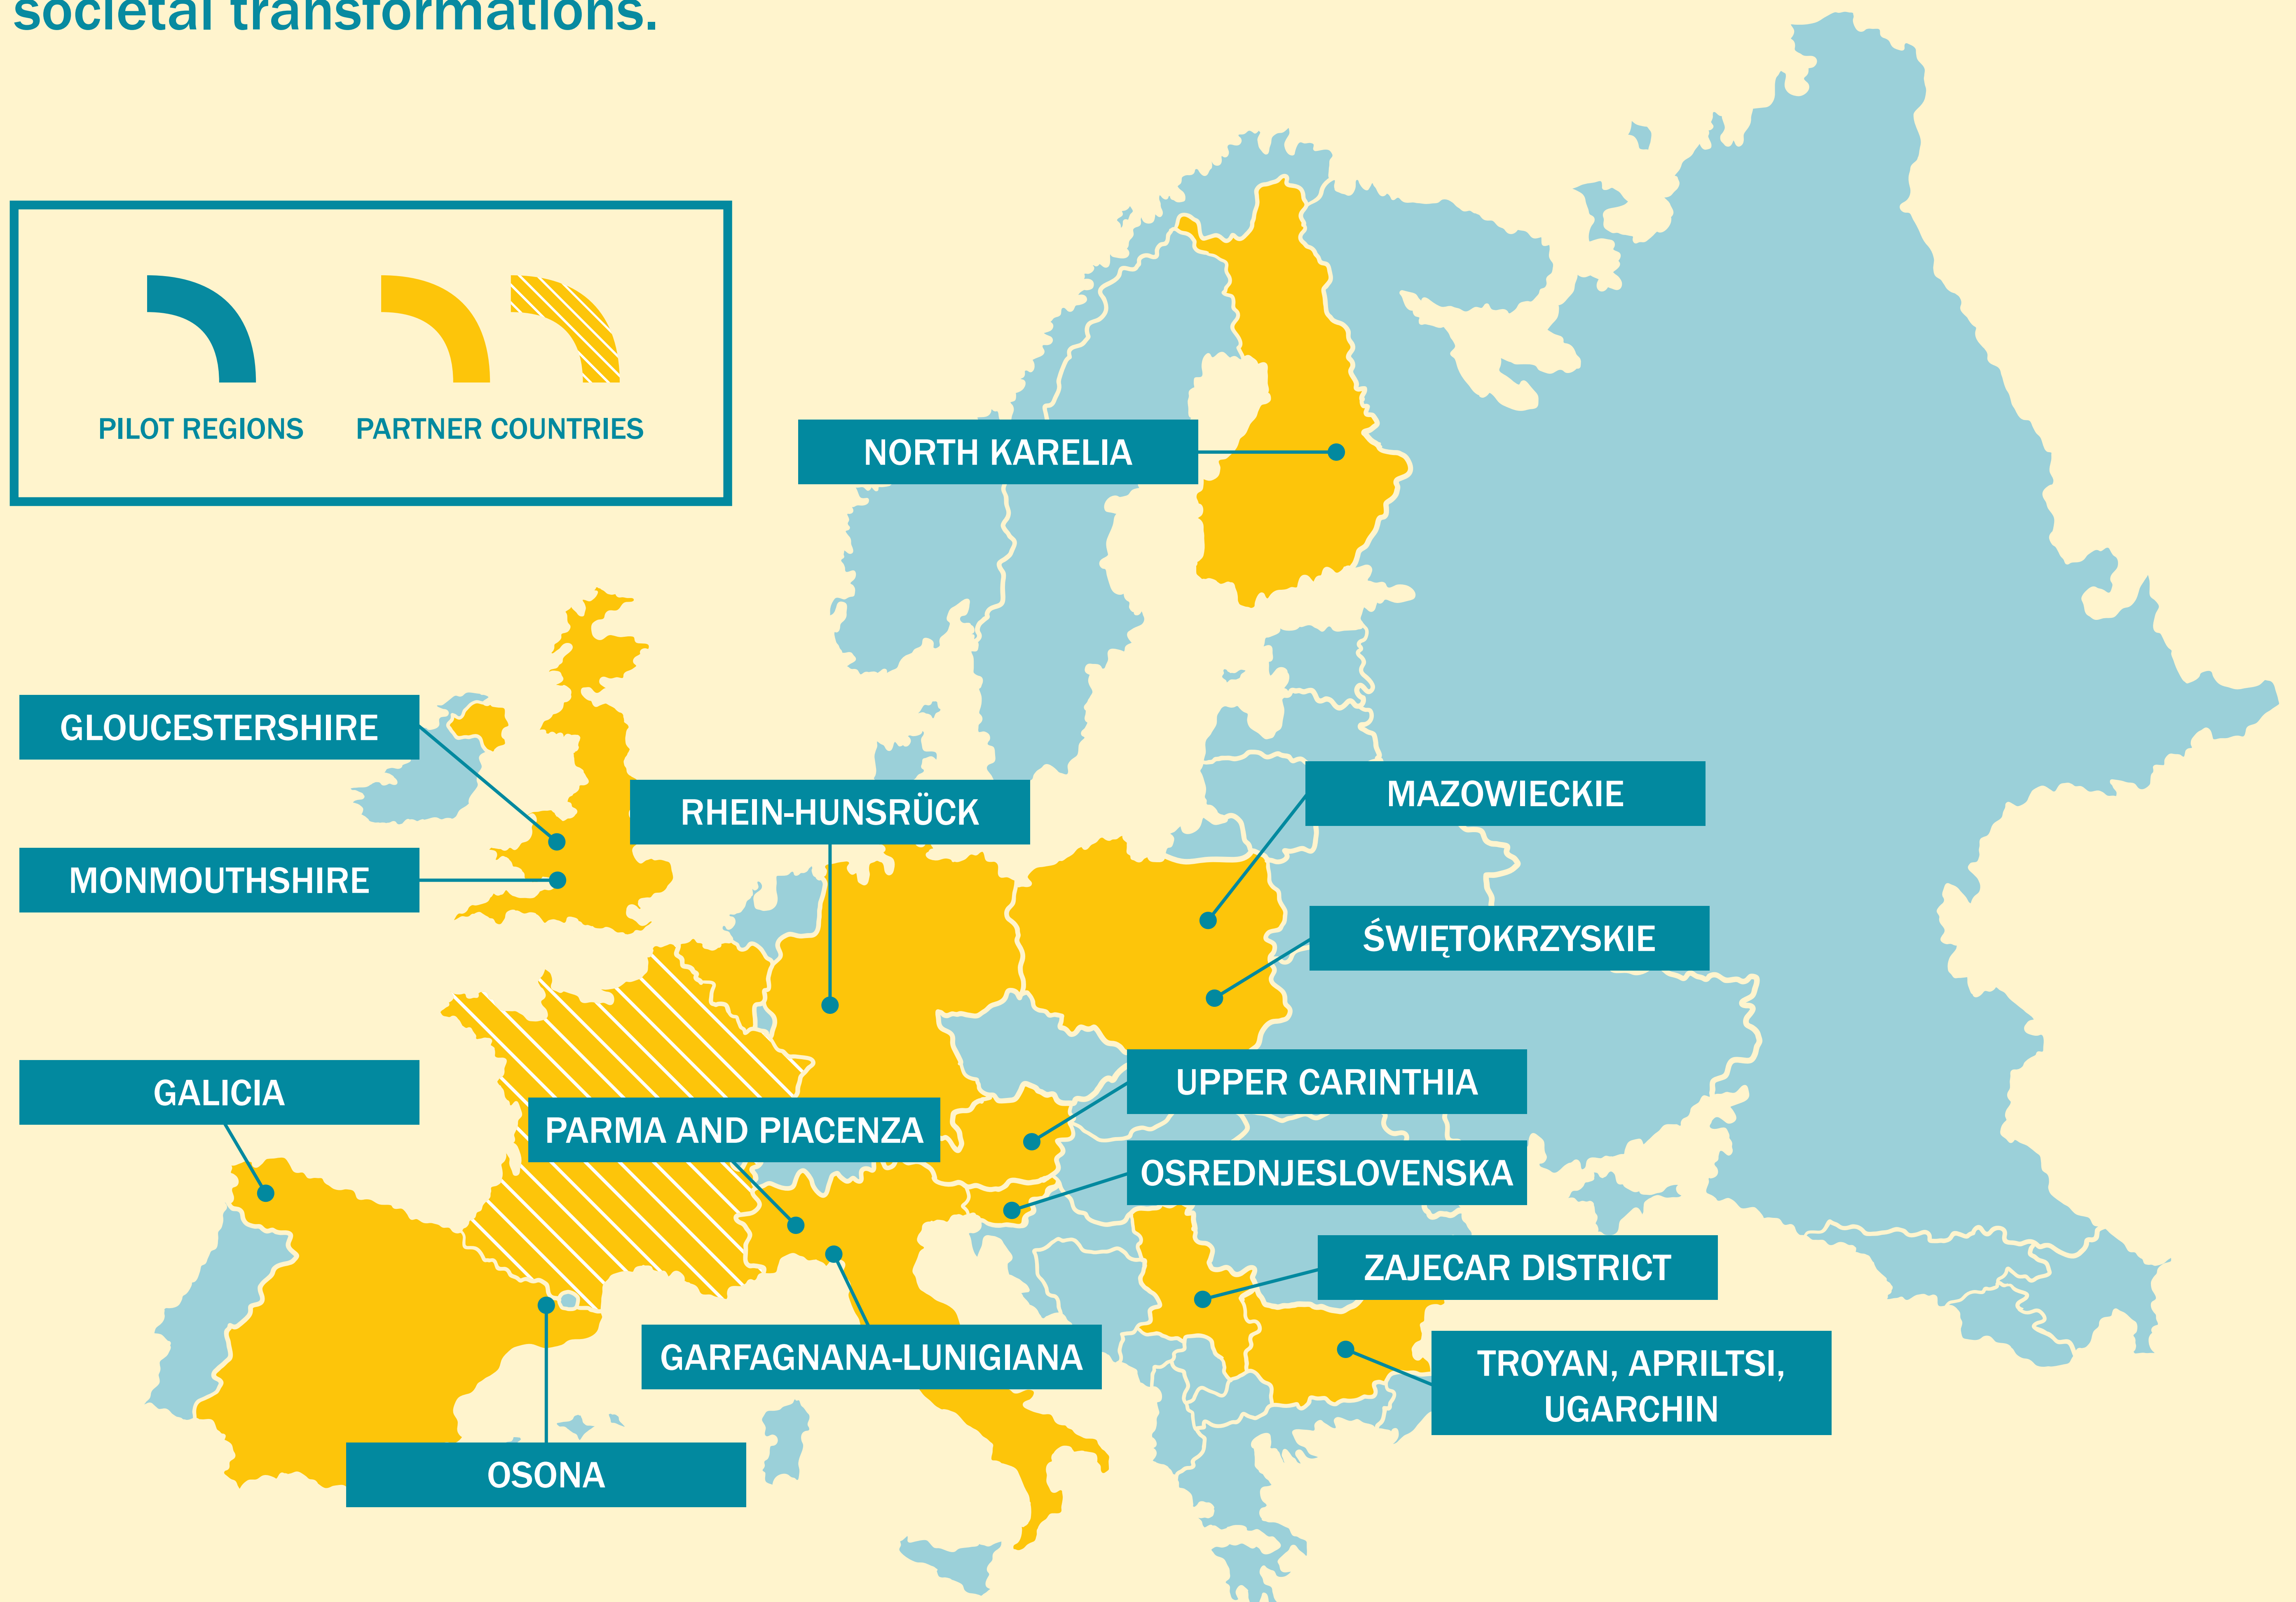

Databases integrating data of different types and sources.

Improved strategies and governance approaches for rural decision makers and stakeholders.

Improved approaches for rural impact assessment and decentralised rural proofing.

## Living Labs

Living Labs in 14 European Pilot Regions in 10 European countries will be the central element of an action-oriented multi-actor approach to researching rural diversity and societal transformations.

Funded by the European Union

UK Research and Innovation

This project has received funding from the European Union's Horizon Europe research and innovation programme under grant agreement No GA 101061051. The work developed under this project is also supported by Innovate UK through the Horizon Europe Guarantee scheme.
